ISP/BIP

**13. – 19. September
2026 in Linz**

The “ASSET” Project

ASSET Project – international ERASMUS + cooperation between 8 European Universities – this year, we have participants from eleven universities

Annual Intensive Study Programmes (Summer School) – duration: one week plus some preparations

In earlier times typical accounting and auditing topics – IFRS, national GAAP and how to-audit – currently, we deal with the topic sustainability reporting, assurance and decision making in a European, corporate context

This year: the on-site ISP/BIP will take place in Linz (13. – 18. September 2026)

Co-funded by
the European Union

About the ISP

Sunday, September 13th in the evening (from 8 pm): Welcome Reception @Sommerhaus (Julius-Raab-Straße 10, 4040 Linz)

Group work and case based learning on sustainability topics
Additionally: Social Activities as a city tour, coffee, lunches and dinners

Prior to the on-site ISP there is some work to be done: prepare a presentation of your university (as a team) and get familiar with the sustainability topics

We are happy to have 56 students from 11 universities attending the ISP this year;

You will be accompanied by 18+ professors from the partner universities

The ISP: content

Content: sustainability reporting according to the CSRD, sustainability assurance and corporate decision making

Case study based teaching approach – so it will be a mixture of lectures and hands-on-activities as discussions, presentations, assessments and a game

additionally: intercultural exchange, networking, short term international experience while visiting Linz and international group works

Our expectations

We expect:

- Interest in the topics Sustainability Reporting, Assurance and Decision-Making
- English skills
- Prior accounting & sustainability/corporate reporting knowledge
- Social competence
- Curiosity and engagement during the event

Some impression fromy our prior ISPs can be found on our project webpage or social media

ASSET

The pre-ISP work

Most important pre-ISP activity:

prepare a ***presentation in the pechakucha or ignite style with a duration of 5 minutes to show your universities and the studies you are in.***

The presentation should consist of 15 slides and each slide is shown for 20 seconds.

Please send the presentation to sabine.graschitz@jku.at and businessschool@jku.at **by September 10th.**

Presentations will be held by students on 14th in the morning session (appr. 10 am).

Please also check our homepage for preliminary readings for the different cases! All material shown there, can be used during solving the cases.

Project Impuls

Further information

Weather: can be tricky around that time of the year

Do not forget to bring your umbrella and a jacket – it might be quite cold on Sunday (15°C) but it should get warmer throughout the week

There will be a Whatsapp group, to simplify communications

25.000

Please do also not forget to take a laptop or tablet with you; the group work will require some presentation work to be done and some internet research!

If you have any questions:

Please do not hesitate to contact me:
